MEMORANDUM

TO: The Boston Redevelopment Authority
FROM: Edward J. Logue, Development Administrator
SUBJECT: Promotions and/or Reclassifications for Certain Authority Personnel

The first attachment lists proposed promotions and/or reclassifications for certain Authority employees who are in the July pay cycle and eligible for salary increases in July 1966.

Each promotion and/or reclassification has been carefully analyzed and evaluated before submission for your approval. All employees listed in the attachment have and are expected to continue their superior performance during the next year. The retention of all of these employees is essential to the continued successful operation of the Authority's program.

The second attachment contains employees proposed for reclassification to the next higher grade, a salary differential of about a step increase, usually less, and are not considered promotions.

A proposed vote is attached.

Attachment 1: Promotions and Reclassifications effective July 6, 1966.

Attachment 2: Reclassifications, with salary increase, effective July 6, 1966.
